**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider in order to receive superior customer service. If this provider, Raw Bandwidth, cannot access elements of the network that we all helped fund, competition will be diminished, and I expect to receive poorer service.

I have fiber today but was previously connected with competitive DSL. We should be encouraging such services, not precluding them.
